

EXAMINER INTERVIEW SUMMARY

Applicants' attorneys, James M. Singer and Joseph T. Helmsen, Examiner Eric Woods and the Supervisory Examiner conducted a telephonic interview on October 17, 2005. Applicants' attorneys and the Examiners discussed the rejections under 35 U.S.C. §§ 102, 103 and 112 and proposed the modifications to the independent claims as presented herein, which the Examiners agreed would result in withdrawal of the rejections. Further, the Applicants' attorneys and the Examiners discussed methods for performing the invention with respect to a moving object without reference to content contained in the image sequence. The Examiner requested that a written explanation of an exemplary embodiment be entered into the record.
